## National Association of Celebrated Seniors

### Greetings,

On behalf of the National Association of Celebrated Seniors, I extend a warm invitation for you to join us in St. Louis, MO, for an exciting Seniors Conference from May 3-5, 2024. Hosted at the newly remodeled Hilton Airport Hotel, this event promises an unforgettable weekend of fellowship, spiritual enrichment, and insightful information that will benefit all attendees.

St. Louis's iconic Gateway Arch serves as a symbol of connection, much like the connections we aim to foster among Saints from across the country. This conference bridges generations, uniting individuals aged 20-55 with seniors aged 56 and above, showcasing the power of a united fellowship.

Under the theme "Your Time to Shine," NACS 2024 seeks to honor our Seasoned Saints by acknowledging your legacies, wisdom, and contributions to both family and local congregations. In a world where seniors are sometimes overlooked, we are committed to not only showing our appreciation but also highlighting your invaluable role in God's Visible Kingdom.

Registration is now open, and we encourage you to secure your spot early to become a part of this fellowship connection. For more information, please visit our church's website at [www.gatewaycoc.church](http://www.gatewaycoc.church) and look for the NACS2024 button.

Blessings await, and we eagerly anticipate sharing this enlightening and inspiring event with you.

Warm Regards,  
Conley Gibbs, Jr.  
Host Minister  
Gateway Church of Christ
